The Power of Camp.

There is something special about spending time away from home - away from technology and the busyness of everyday life. Camp is a place set apart. A place to be surrounded and encouraged by brothers and sisters in Christ. Camp provides a time to be challenged, strengthened, and set on fire to live for Christ each and every day.

Obstacles and distractions are everywhere in today's world. Camp provides opportunities for campers to pull away and get a breather - to catch a vision for the bigger picture of their lives.

And camp is just plain fun - swimming, canoeing, fishing, hiking, new friends, crazy games, wild adventures - it is all waiting at camp.

We all need ... **the Power of Camp.**

Our Dynamic Staff.

Each year God leads young people to spend their summer serving Him by working at camp. Our summer staff has to meet the following qualifications:

- A strong relationship with God and a willingness to share His love with others.
- A desire to spend a summer making a difference.
- A willingness to seek answers for the tough questions in life and ask for help when needed.
- A humble servant of God.
- At least one year out of high school (for full time counselors).

These young men and women are the ones we trust to spend a week with your kids - teaching, playing, protecting, growing, and sharing in God's love.
